The cost of collecting, retaining and sending or delivering to an independent laboratory the excess specimens of blood, ~~breath, saliva or urine~~ for independent analysis at the option of the tested person shall also be borne by such law enforcement agency. The cost of the independent analysis of such specimen of blood, ~~breath, saliva or urine~~ shall be borne by the tested person at whose option such analysis is performed. The arrested person shall bear the responsibility for making all necessary arrangements for the administration of such independent test and for the independent analysis of any specimens obtained, and bear all costs thereof. The failure or inability of the arrested person to obtain an independent test shall not preclude the admission of other competent evidence bearing upon the question of whether such person was under the influence of alcohol, or any other intoxicating substance or the combined influence of alcohol and any other intoxicating substance.
